Response Due Date
07/21/2014

IDENTIFICATION NUMBER: C00536607

REFERENCE: YEAR-END REPORT (07/01/2013 - 12/31/2013)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- For your information and consideration, Schedule B supporting Line 23 discloses contributions to federal candidates for which conflicting election designation(s) have been provided. Commission regulations encourage committees making contributions to federal candidates to designate their contributions in writing for a particular election. Contributions not designated for a particular election will be attributed to the next election for Federal office in which the candidate is participating. (11 CFR §§ 110.1(b)(2) and 110.2(b)(2)) Please review the election designations for all contributions to federal candidates making sure only one election is designated.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any
